Race Interests Take Options On Peninsula

Charles Strub of S. F. Is Back of One Enterprise

OTHERS NAMED

Group Is Rumored to Have Eyes on Lower County Track

Charles Strub, president of the San Francisco Seals, together with four associates whose wealth represents many hundreds of thousands of dollars, is ready to enter the racing picture in a big way.

Strub has applied to the state racing commission for a permit to construct a plant at one of four sites, two in San Francisco proper and two in San Mateo county. Strub states that he has options on all four properties.

Locations of the four sites are being kept secret although it is assumed that Strub's choice spot is a strip near Third and Army streets, out the Third street highway.

Money Behind Him

The wealth and power mustered behind Strub indicates that he will make a serious bid for a permit. Two groups are already in the field, Tanforan and William P. Kyne. It is not considered likely that the commission will consent to more than two tracks in the San Francisco area.

Associated in the new racing enterprise, according to Strub's own statement, are:

Felix McGinnis, vice-president of the Southern Pacific.

Cliff Weatherwax, millionaire sportsman, pole enthusiast, lumber and oil man.

Roger Lapham, director of the American-Hawaiian Steamship Company.

Harry Young, San Francisco attorney.

"We are ready to spend between $750,000 and $1,000,000 to erect the finest racing plant in the west," explained Strub enthusiastically today. "The integrity of the men I am associated with certainly should speak well for the kind of clean racing we will conduct provided we are granted a permit."

It was reported yesterday that the track may be located at the southern end of San Mateo county, should the permit be granted.

Trial Date In New Flood Case Move Nov. 15

The new trial granted by the state supreme court to Mrs. Constance May Gavin of Los Angeles to attempt to prove her right to an illegitimate daughter's share of the James L. Flood millions was set Tuesday for November 15.

Attorney John J. Taaffe of San Francisco, representing the petitioner, appeared today at the office of County Clerk Elmore B. Hinman and asked to have the retrial set. Deputy Mura Stilleson department No. 1 of the superior court.

It was in the same courtroom that the first trial terminated two years ago in a directed verdict against Mrs. Gavin, when Superior Judge George H. Buck took the case from a jury's hands.

Mrs. Gavin is seeking to establish her right to $2,000,000 of the $9,000,000 estate left by the late mining magnate who died in Menlo Park in 1926. Her battle for the fortune has been waged since that year.

The judicial council must name an outside judge to hear the case.

Lyons Death Jury Leaves Verdict Open

An open verdict was returned by a coroner's jury here last week in investigating the deaths of Mrs. Addaline Lyons, 38, of East Palo Alto, and her baby, Nancy, 8 months old, who was killed by an automobile driven by Mrs. Gladys Sisevich of San Mateo.

The jury found that the mother and baby came to their death in an automobile accident but did not attempt to fix responsibility. The inquest was held in the Layng & Tinney chapel.

CITY BUDGET ACCEPTED CALLING FOR $182,331; NO TAX RATE INCREASE

CALLING for a total appropriation of $182,331.35, $10,000 less than a year ago, and for the same rate, $1.10 per $100, the 1933-34 budget of the city of Redwood City was unanimously adopted by the city council Monday night.

The budget was accepted without change as presented by City Manager E. A. Rolison upon motion of Councilman Robert Jones and second of Councilman Charles Hildebrant.

Although the total rate is the same as last year, the tax for general purposes has actually been cut one-half cent from $.61 per $100 to $.605, City Manager Rolison explained to the council.

The interest and redemption of bonds, however, claimed the extra half cent so that the rate was maintained at last year's level. The tax needed to meet bond indebtedness was increased from $.34 to $.345.

Redwood City's tax rate is based upon an assessed valuation of $13,615,900. The rate is maintained in the face of an allowance for delinquencies of 15 per cent, which will take off $2,042,385 and leave the assessed value for budget purposes as $11,573,515.

In order to maintain last year's rate, Rolison explained, it has been necessary to curtail street lighting costs by the elimination of one lamp in all two-light standards as well as others at locations where not vitally needed.

In addition to this, he said, all city employes have voluntarily agreed to sign a waiver whereby a portion of their salaries for the ensuing year will be diverted into the general fund for tax reduction purposes, the same as last year, and the employment of extra help during the vacation period has been practically eliminated.

Actual needs for various general purposes of the city during the coming year total $127,847.50, and for special purposes, such as interest and redemption of bonds, $54,483.85, making the budget total of $182,331.35. A year ago the budget provided for $192,069.93.

All appropriations, Rolison explained, have been carefully computed and are based on the amounts actually needed to run the city without making any allowances for contingencies. An item of five cents has been included as unbudgeted reserve to raise $5,786.75 and which is intended for undetermined uses and to meet unforeseen emergencies normally included in departmental appropriations.

Some of the items, the manager explained, for which this sum will be used, other than emergencies that cannot at this time be anticipated, are supervision and other incidental expenses in connection with the use of labor supplied by the county relief bond fund and social service department, possible minor expenditures in connection with the development of a city park on the Sequoia campus, and miscellaneous materials that may be needed in order to utilize the labor in a more practical and economic manner.

The $1.10 rate, under the normal 3 per cent delinquency, would be a 95-cent per $100 rate, Rolison explained. The rate will be formally set in September.

Councilman Charles Lambert praised the manner in which the city's budget had been prepared, and Councilman Henry Beeger expressed a belief it was the "best form, best prepared" budget he had yet seen.

Rolison explained that his last year's budget was used by Prof. E. A. Cottrell at Stanford as a model, and that he wanted "to go it one better this year."

Ford V-8 Gets 22.3 Miles to Gallon in Run

The "Know the Truth" economy run conducted by the Ford V-8 dealers of the peninsula was one of the most outstanding events of the year in automotive circles, according to Kendall B. Towne, head of the Towne Motor Co., local Ford dealers.

The test was conducted with a strictly stock de luxe model Ford V-8 sedan. The results were: Number of miles to gallon of gas obtained on entire run, 22.3. Distance car traveled in 14 days and nights, 6,363. Amount of oil that was required other than regular oil change at each 1000 miles, none. Amount of water required for radiator during entire run, none.

The winner of the contest for the closest guess on the above points was William Richter of San Carlos. He received $100 in credit on the purchase of a new Ford V-8 car.

The test, which was conducted to prove that the Ford V-8 is the most economical car to operate under all average driving conditions, according to Towne, was thoroughly checked in every way. The police chiefs of each peninsula city held the keys to the gasoline tank and oil cap.

No special kind of gasoline was used and newspaper men and other impartial observers did the driving. More than 700 starts and stops were made besides the many triffic signal stops which were not counted.

The car was driven at various speeds up to 50 miles an hour and on two consecutive Sundays was subjected to the heavy sabbath day traffic on the peninsula. The run was from San Jose to South San Francisco. Five trips were made every 24 hours.

Two Sites in M. P. Selected For City Hall

MENLO PARK, Aug. 7.—At a special meeting of the city council and planning commission Saturday, two sites were selected for consideration as locations for the proposed city hall. The city hopes to get $20,000 from the public works funds of the federal government.

One site, at the corner of Hoover street and Oak Grove avenue, is offered by Charles G. Ellis, for $2000. It is 125 by 100 feet; or he offers, for $2050, a piece 130 by 100 feet. In each case the city would assume unpaid street assessments.

The other site is on Curtis street at Santa Cruz avenue.

THOMAS TUITE OPENS OLD PALACE GROCERY

Announcement of the opening of the Old Palace Market at 825 Main street was made today by Thomas Tuite, pioneer Redwood City butcher.

Associated with Tuite in the new market will be his son, Edward Tuite, who will have active charge of the market. Butchers will include Archie West and Frank Adams, both well known in Redwood City. There will be a fruit and vegetable department.

The most modern refrigeration, including tiled refrigerated visible counters, has been installed.

The opening of this market marks the return of one of Redwood City's older business men to active participation in the commercial life of the city. Tuite first started a meat market here in 1903, and in 1905 built the store which he now occupies. He operated the business from 1905 until 1920, when he disposed of his interests.

Closing Hours Resubmitted By NRA Body

Complaint Is Made Against Schedule Set Up Here

BUSINESS IS LOST

Other Questions of Firms Taken Up By Committee

Following a complaint made by a number of merchants at a meeting of the local NRA executive committee Monday afternoon that the opening hour schedule, 8:30 a. m. to 5:30 p. m., adopted for Redwood City general retail stores, other than grocery stores, is not working out satisfactory, it was decided to resubmit the question to all firms and individuals affected. The idea is to ascertain their views with regard to changing the schedule from 9:00 a. m. to 6:00 p. m. The present schedule was tentatively agreed upon at the public meeting called by the local NRA committee in the firehouse on July 31, which was attended by over 100 merchants representing practically every line of business.

At the conference Monday the objection to the present schedule was directed by the merchants present to the closing hour 5:30 in the evening. It was pointed out that the period between 5:30 and 6:00 is the busiest in the day and that the earlier closing is resulting in loss of business.

Carrying out the idea of the national administration that the majority rule should prevail, the executive committee decided to resubmit the hour schedule question to the merchants affected. This was the principal matter of discussion at the committee meeting Monday.

Other questions taken up were the opening hours for delicatessens, creameries, bakeries, and fruit and vegetable stores. It was felt by the committee that these lines of business should come under the same schedule as other food stores which are now operating on the 8:00 a. m. to 6:00 p. m. schedule. A request that the owners in the class above adopt this schedule will be made by the committee this week. The druggists also will be called into conference the end of the week by the committee in an effort to solve the perpexing problem with regard to uniformity of closing, caused by some of the local drug stores carrying other lines of commodities than drugs.

Charles G. Lambert, chairman of the speakers' bureau of the executive committee, announced that he is completing the personnel and that the campaign to secure the cooperation of every individual in the community in the NRA program, through talks, moving pictures, and other gatherings will be started soon.

Joseph Territo Plans New Super Market Soon

Joseph Territo, proprietor of the delicatessen department of the Popular Market, announced this week that he will soon open a complete super food market at 2618 Broadway. The new store will have a complete grocery, meat market, delicatessen and fruit and vegetable department, all under one management. The location is now being completely re-modeled and the latest fixtures will be installed. The entire market will be designed along the most modern lines for convenience of the customers and efficiency in rendering service.

Advisory Committee On Charter Called

Supervisor John Poole at Monday's meeting urged County Manager Walter Kellogg to summon the advisory committee on the new county charter for a conference with the supervisors at an early date. Letters inviting the committee together were sent out today by Manager Kellogg.

The committee includes James B. Howell, Alvin Hatch, Matthew Harris, Carl Neuman, Fred Lorton and Ernest Wilson. City Manager E. P. Wilsey of San Mateo declined to act.

City Renovize Quota Is Set At $150,000

Recovery Program of Building Trades Is Ready

OPENS TUESDAY

500 Volunteers Will Canvass County For Pledges

With the renovize campaign ready to open over the entire county Tuesday, Redwood City's quota was set last night at $150,000.

Other communities' quotas were San Mateo, $200,000; Burlingame, $200,000, and Hillsborough, $100,000. The balance of the million dollar building recovery drive is expected to be raised by other smaller peninsula communities.

Five hundred volunteer workers will go from house to house starting Tuesday to secure pledges of renovizing projects which the home owners are willing to undertake. The pledges are not in any way binding, but merely signify the intention to do certain work within a reasonable time in the interests of stimulating employment and recovery.

Pledges can be made for any amounts from a few dollars to thousands of dollars.

Henry Witte, local realtor, is head of the Redwood City campaign, and his seven district assistants are James Eva, Charles M. Frey, Kenneth Murray, Robert Jones, H. E. McCleary, Dr. Wesley H. Taylor, and Duncan Reynard.

The chairman, workers and captains will meet in the firehouse auditorium Monday night at 8 o'clock to lay final plans for the campaign to open the following day.

The Daly City American Legion Post last night voted to sponsor the movement and O. H. Tallmadge, commander, named O. C. Cornell as chairman for that district.

Mayor Joseph A. Donohoe of Atherton issued a proclamation commending the movement and urging Athertonians to participate.

Kellogg Backs Drive Against Slot Machines

County Manager Walter T. Kellogg announced today that he is jointly co-operating in the campaign launched yesterday by District Attorney Edmund Scott to stamp out the slot machine evil in San Mateo county. Kellogg said he and Scott discussed the matter last week after several complaints had come to Kellogg of the presence of the gambling devices.

Police authorities of the peninsula were reported backing the move to rid the county of slot machines in their respective districts.

Approximately 15 men will be employed. The estate was recently purchased by Spence. The H. F. Becher Co. of Redwood City handled the deal.

$20,000 EMERALD LAKE WATER LINE EXTENSION URGED FOR U. S. FUNDS

DECISION to present a proposed $20,000 extension of the Emerald Lake water system to Regional Advisor Justus Wardell for inclusion in the public works program was reached by the city council Monday night.

The proposed extension calls for an eight-inch transmission pipeline 6000 feet long near Brewster avenue and between stations 1 and 3, and for construction of a reservoir with a 1,000,000-gallon capacity.

City Manager E. A. Rolison informed the city council that the saving to be effected in the cost of operation will pay a high rate of interest on this amount, besides giving a storage capacity for protection against breakdowns, which proposal in building the new at present is an outstanding defect of the Emerald Lake system.

If the $20,000 is secured from the federal government it would be spent as follows on the Emerald Lake system:

SUPPLY	
Wells and springs	
Pumps and motors	$1,000
Pumping station equip.	1,000
Reservoirs, tanks, etc.	10,000
Purification	250
Lands and buildings	250
Meters	200
Total	$10,900

DISTRIBUTION	
Cast iron pipe	$9,000
Steel pipe	1,500
Meter connections	100
Miscellaneous equipment	100
Total	$10,700

OFFICE EQUIPMENT—NONE
Total $21,600

This loan will be repaid through revenues from the operation of the Emerald Lake system, Rolison informed the council, and will not be a burden on the city.

The city board also discussed the proposed $80,000 storm sewer extensions which, if undertaken, will be financed by federal funds. The government would pay 30 per cent of the cost outright, leaving $56,000 to be paid for by Redwood City.

This sum would be raised by bonds or by a special tax, the latter being proposed by City Attorney Albert Mansfield. The city attorney said the special tax plan would eliminate the excessive cost of interest on bond proposals.

The county used the special tax county jail at Redwood City and in purchasing the Memorial Park, Mansfield said.

Under the plan, $2800 would be raised over a period of 20 years at the rate of 2½ cents per $100 per year.

The council agreed to spend $200 in the interests of furthering the renovize campaign because of the general good which would ensue from stimulating building activity.

Holt & Co., owners of the "Emerald Lake" sign across El Camino Real at Jefferson avenue, agreed to give the sign to the city if it is repaired and repainted and maintained at city expense. It was determined to find out what the cost of maintenance would be before accepting the sign.

Major W. J. Dusel and Councilman Charles Lambert presented a schedule of distribution of the city's insurance business, which was approved.

Percy W. Yates was granted a license to sell beer at 2025 Broadway.

R. E. Bruce was granted a plumber's license, but City Manager Rolison was instructed to investigate complaints of neighbors that Bruce was storing some of his pipe in his yard at 146 Birch street.

Annette Haddix protested that she was being deprived of adequate parking in front of her lunch stand at Main and Middlefield road, and was informed to take the matter up with the General Petroleum Company, from whom she holds the lease.

Salvador de la Rosa was granted a permit to hold a benefit dance for the Philippine Carnival Benevolent Association in Foresters' Hall next Saturday night.

Gilmore Backs Blanket Code For Recovery

With the usual promptness of action in matters pertaining to public welfare, the Gilmore Oil Company responded immediately and signed the blanket code of the National Recovery Administration. This placed it first among the companies in the petroleum industry to start the wheels of the program in motion.

"Throughout the depression we have put the welfare of our employes ahead of all other considerations," says Earl B. Gilmore, president of the company. "We have not reduced the number of employes on our payrolls during the past three years and we have instituted only one small wage reduction. To do this we had to pass our usual dividends.

"Despite this record, we are proud to subscribe to the call of the president and sign the blanket code of the NRA to shorten hours and add employes to take off the slack.

"Furthermore we pledge the maintenance of the high quality of our products that has already merited such wide spread popularity."

Canada exported 298,813 gallons of whisky, valued at $4,700,000, to the United States in 1924.

WORK ON LA HONDA ROAD WILL START THIS WEEK

Work of placing the La Honda road in shape for the permanent wearing surface, contract for which will be let in the fall, will begin this week, County Engineer James S. James informed the supervisors at Monday's meeting.

James at the same time was authorized to outline the next project, which will be for a two-mile stretch toward La Honda from the present one-mile of new construction undertaken last year.

The engineer was also authorized to spend $200 with the San Mateo County Title Company to search the titles on parcels of property which will be required for the new section extending as far as Woodruff Creek.

James secured the board's approval for setting out $25,000 from the gasoline fund for use toward purchase of materials and machine hire on projects to be undertaken next winter with unemployed help.

Supervisor John Poole, Redwood City, urged the board not to make the mistake it made last year in providing relief funds but none for purchase of materials to be used on the projects, which seriously threatened the program.

James said the county expects to have $500,000 for unemployed relief jobs this winter from county, state and federal sources, and estimated that at least $100,000 would be needed for materials and hire of machines.

It was not determined where this money is to come from except for the $25,000 which will be taken from the gas fund.

The board voted, by motion of Supervisor Albert Witt, to place all unemployed relief projects under the supervision of Engineer James.

Slot Machines Must Go, Says District Att'y

Scott Advises County Authorities to 'Clean Up'

MANY NEW KINDS

Office Co-operation Promised in Event Of Action

—Slot machines and other unlawful gaming devices are altogether too common in this county.

—If police officers would keep their eyes and ears open this county would soon be free of such contrivances.

With those pointed observations, District Attorney Edmund Scott Tuesday advised the sheriff, constables and police chiefs of the various peninsula cities to "clean up their backyards" and put an end to the slot machine evil.

The drive against the machines is the result of numerous complaints to the grand jury, Scott said.

Foreman Martin Poss recently announced that the grand jury was concerning itself with the presence of slot machines over the county.

"From time to time," Scott said, "unlawful groups work their ways into the best of communities. For many years San Mateo county has been comparatively free of slot machines, but it now appears that slot machines and other unlawful gaming devices are altogether too common."

Scott laid the fact that the gambling devices exist as perhaps the "result of lack of diligence on the part of certain officers."

"If police officers would keep their eyes and ears open and circulate around and perform their full duty this county would soon be free of such contrivances."

Scott observed that "many newfangled contrivances are evidently being invented and the owners are attempting to place them in this county."

The district attorney asked that the sheriff and other authorities of the county report to him within two weeks as to what they have done "in their respective jurisdictions towards getting these machines out of the county."

Scott offered the fullest cooperation of his office to any officer who deemed it necessary to make arrests.

Samuel Euritt, Ill 4 Months, Passes Away

Samuel J. ("Jack") Euritt, well-known resident of the city, passed away on Tuesday at his home, 717 Chilton street. He lived in this community for the past 30 years, and was employed by the street department. He had been ill for the past four months. He was a native of Iowa and was 73 years of age. He leaves no relatives living in this vicinity.

The funeral rites were held on Thursday afternoon at 2 o'clock at the Layng & Tinney Funeral Home. The services were conducted by the Rev. Norman W. Pendleton, pastor of the First Congregational Church. The interment followed at Alta Mesa Memorial Park.

Damages of $10,000 were asked today by Mrs. Erma Bill for injuries incurred May 9 when two automobiles collided at the entrance to the Baden dog track in South San Francisco. The suit named Dr. Paul T. Pace as defendant.

John Kelley, whose wife was driving one of the cars, asks $675 in the same suit. Mrs. Bill was riding with them. M. J. Granaghan of San Francisco is the plaintiffs' attorney.

DESERTING HIS FRIENDS

Frank Jordan, secretary of state for the past twenty-three years, shocked his Republican friends this week by announcing he would seek re-election on the Democratic ticket. Jordan has held various offices under the Republican party for nearly 40 years. It seems strange that he should change at this late date.

Perhaps he sees the handwriting on the wall and wants to hold his position. Jordan is a popular man and could be elected on any ticket. The old-line Republican may not forgive him for the change. Then, too, Frank may be only sending out the feeler to learn the lay of the land. It is to be hoped he will stay with the party that made him and march under the old banner at the next election.

NOT ROLPH'S FAULT

Many are censuring Governor James Rolph for the sales tax bill, passed by the state legislature in July and which is working some hardship on the housewife and others who have to purchase merchandise. Mr. Rolph opposed the tax but it was adopted over his protest. It was a part of the Riley Tax Bill adopted by the people June 24.

A portion of the money thus collected will be applied to the school funds, relieving the land of this tax. It will be a big relief to the property owner and no one will feel the small sum paid the grocer, butcher and others. The land cannot bear the burden any longer so the non-taxpayer must help defray the cost of state and county government.

New Trial in Hartley Will Contest Asked

Bank and Wagner File Notice of Move Here Monday

SET FOR AUG. 21

Regular Grounds Set Forth in Attack On Verdict

New efforts to sustain the will of Mrs. Jennie E. Hartley, late Redwood City educator, will be opened at once, the Bank of America National Trust and Savings Association and Carl E. Wagner, former local branch manager, announced Monday.

The will was broken by a jury of six men and six women at a trial concluded here on June 9.

Notice of intention to move for the new trial was filed today with County Clerk Elmore B. Hinman.

The motion will be based upon statutory grounds, which included newly discovered evidence, the abuse of discretion by the court and misconduct by the jury, irregularities in the proceedings, and that the verdict was against law.

Defendants in the action will be Misses Dollie and Birdie Bacon of Redwood City and Bowne Bacon of Windsor, Contra Costa county.

Keyes & Erskine and Edmund Scott will be associated in the motion for a new trial.

Mrs. Hartley's will, which disposes of items not included in a $60,000 trust, was written by the aged educator on July 3, 1928.

The motion for new trial was set today for August 21 before Superior Judge Maxwell McNutt, who presided at the will contest.

Menlo Park

Pine street is putting on municipal airs these days for three electroliers have been installed, shedding bright rays up and down the thoroughfare. They are a vast improvement on the antiquated electric lamps that formerly existed there.

The planning commission at a meeting held Wednesday evening approved the tentative plan presented by John Morey for the construction of a concrete building on the Maloney block on the highway. The structure is to cost $25,000. It has a frontage of 163 feet.

The following officers were elected to hold office in the American Legion Auxiliary in Menlo Park for the ensuing term: President, Ethel French; first vice-president, Ruth Syverson; second vice-president, Vada Hinmon; secretary, Isabelle Lindquist; treasurer, Jeanette O'Neil; sergeant-at-arms, Anna Condos; marshall, Elizabeth Lyons; chaplain, Gertrude Ellis; historian, Irene Boone. Dora Scott Devol became junior past president.

Mayor and Mrs. Maxwell Cronin of Santa Clara were guests of Mayor and Mrs. W. H. Weeden Wednesday. They attended the official visit of President Margaret Carsewell of the Rebekah Assembly at Masonic Hall that evening to hear their host's daughter, Isabelle Lindquist sing.

Mrs. Lindquist sang "When You Look in the Heart of a Rose" while a huge American Beauty rose with a heart of gold, containing a gold coin, was presented to the president by a group of beautifully-gowned girls. Later in the evening Mrs. Lindquist sang a group of songs accompanied by Lina Jacobs Guerrero on the piano and Mary Arnold on the violin.

Mayor Weeden and K. L. Martin made a hurried trip to Horonitas Tuesday to inspect their ore crushing machine which is being used in the Mt. Gaines mine.

Mrs. Irene Boone, who has been quite ill with the influenza, is well again.

Mrs. Catherine Derry and Isabelle Lindquist, delegate and alternate to the American Legion Auxiliary convention in Pasadena, will leave Friday morning. They will visit friends in Santa Barbara and San Diego. Mrs. Dora Devol and Mrs. Ethel French, the other delegate and alternate, are in the southern part of the state now attending to some army relief work of which Mrs. Devol is the president, and they also will attend the convention.

The Parent-Teacher Association will give a card party Friday, August 11, at the home of Mrs. Floyd Beach to raise funds for the hot lunches for underprivileged children. Whist will be played beginning at 2 p. m.

The following members of American Legion Auxiliary No. 443 attended a tea given by the San Mateo Auxiliary in honor of District President Florence Chess; Dora Scott Devol, Ethel French, Catherine Derry, Violet Larrecou, Hester Leach and Isabelle Lindquist.

A San Francisco syndicate is to establish a beer garden on the Blake property on the highway, formerly a miniature golf course. It is to be a modern resort where beer and sandwiches will be served.

The horse show is drawing large crowds every evening and afternoons. Admirers of horses come from all parts of the bay district to enjoy the program. Nowhere else in the country could a finer equine exhibition be seen.

Edward Gammons, the local newspaper man and reporter, has secured an assignment on the Call-Bulletin in San Francisco. Mr. Gammons is a writer of ability. He has filled positions in many large papers of the country.

Miss Juliane Wolters of Menlo Park and Miss Anne Burns of Redwood City, both teachers in the Sequoia Union High School, left Monday for a trip into the mining towns of Butte and Plumas counties. They will visit Gibsonville, the former home of the Wolters family.

The citizens of Menlo Park may be called upon to vote their willingness to stand back of the city hall project it was indicated to the city council here Tuesday night by City Attorney George K. Whitworth.

Whitworth said this step may be necessary, according to information he has secured, before the city could secure the $20,000 loan it will ask Regional Director Justus Wardell to include in the public works program.

The legal difficulty apparently faced is that the council cannot bind future councils to agreements which may be entered into for the loan.

The city attorney was voted $25 to prepare the large amount of data necessary for presentation of the project. Financial affairs of the city must be set out, and population, assessed valuation and other matters must be considered in granting of the loan, Whitworth was informed.

Luxuries Cut Out Of Co. Food Orders

Stores filling food orders for the social service commission must adhere strictly to staples, County Manager Walter T. Kellogg announced today.

The manager has reports that substitutions are being made and non-essentials are replacing staple foods.

This means, the manager said, that food orders will not go as far as they should.

Under a rearrangement, Capt. Edward Macauley of the county relief committee is now handling food orders given in exchange for work, instead of the social service commission.

Rosamond Simmons In Divorce Plea

Mrs. Rosamond Louise Simmons filed suit for divorce here today against John Patrick Simmons, to whom she was married in Redwood City on March 17, 1932. He is a gardener.

Mrs. Simmons asks the right to resume her maiden name of Honeyman. She is represented by Attorney Elinor Falvey.

Griggs Suicide For Insurance Told in Note

Charles J. Griggs, 28, Menlo Park bank clerk, killed himself last week so that his wife could get the things that his insurance would buy but which his earnings would not, according to a note introduced at the inquest here yesterday.

Griggs left a $20,000 insurance policy, on which he had borrowed $500. He said he had talked matters over with the family physician and had been informed that his new-born son, Peter, would require medical care. That, he told his wife in the note, would require money, of which he had none.

The bank clerk expressed despondency over his failure to advance quickly in the bank, and said that after getting a better position it had not carried any better pay. He expressed regret at leaving his wife and baby when they needed him most.

The wife, Mrs. Charlotte Griggs, who is staying at Menlo Park with her sister, Mrs. Hazel Flanders, was grief-stricken by the tragedy.

Dr. C. V. Thompson, the family physician, said Griggs' fears concerning his small son were unfounded and that the child will be all right.

Plans Progress For Volksfest

The gay atmosphere of Vienna will be transferred to the peninsula next Sunday afternoon, when an authentically carried out Volksfest will be held in the Woodland Theatre at Hillsborough, for the benefit of the San Mateo county unemployment relief fund.

A group of society maids and matrons are planning the affair, and already, although the Volksfest has just been announced, a number of smart parties have been planned for the afternoon. Among the box holders already signed up are Mrs. Wood Armsby, Mrs. Fentress Hill, Mrs. George Pope, Mrs. E. J. Tobin, and a number of others. Each of the box holders will bring a party, and there are tables for four or more to be had.

The stage of the theatre will be cleared for dancing in the approved Vienna manner, and Anson Weeks' orchestra will play for the waltzers, with enough modern music interspersed to please those who are more used to the up to date stepping. Tables will be placed in the pit of the theatre, and chairs will be arranged for spectators. Beer and coffee will be served in the al fresco setting of the outdoor theatre, and a thoroughly informal atmosphere will be maintained.

"A quaint way to spend Sunday afternoon, out of doors, and in a charming country atmosphere, with perfect music and plenty of gay company, in the old world manner," was the description given by one of the sponsoring committee.

The affair will be open to the general public, at modest prices, and all of the profits will go to swell the coffers of the San Mateo county unemployment relief fund, the official disbursing group of the county. government.

Taxpayers to Get Extension Under New Act

Moratorium on Sales To Benefit Many In S. M. Co.

LIST 505 PARCELS

Law Is Explained by A. M. McSweeney, Collector

Owners of 505 parcels of property in San Mateo county advertised for sale at public auction for delinquent taxes this year, and an equally large number scheduled for next year, will be given additional time in which to redeem their land. The extensions are provided by an act passed by the state legislature and signed by Governor Rolph, granting a two-year moratorium on tax sales.

Tax Collector A. M. McSweeney said the law provides that no delinquent tax sale may be held before January 1, 1935. The order will affect the 1933 delinquent tax sale, scheduled by McSweeney for August 29. The sale must be advertised, along with a delinquent tax list, and registered mail notices sent to those whose property would have been sold under the old law, according to the tax collector.

The 505 parcels scheduled for sale this year went delinquent when the owners failed to make their 1927 tax payments, while those which would have been sold next year became delinquent when the 1928 tax payments were not made. The property was deeded to the state, and a five-year period ensued before they would be sold. The moratorium measure will extend the period to seven years for property which went delinquent in 1927 and to six years for property delinquent in 1928.

"The purpose of the bill," McSweeney said, "is to give the property owners additional time in which to redeem their property There are many who do not want to lose their property but who would have been forced to if this bill had not passed since they have not the money with which to make the back tax payments. The bill will give them two years more in which to raise the money.

"I am confident that during the coming two years there are many who would have otherwise lost their property who will be able to make the back payments and clear their land."

The moratorium will have the effect of keeping the property, scheduled for sale off the tax rolls for an additional two years. During the time it is deeded to the state the county can collect no taxes, and it is not until the back taxes have been paid and a new owner is given title that the property goes back on the tax roll.

Thompson Says Chairmanship Not Maneuvered

Following his surprise appointment Monday, Dr. C. V. Thompson, San Mateo county's new board chairman, pleaded today for harmony and announced that his elevation to the bench was not the result of any political maneuvering.

Thompson, who for 18½ years has been a supervisor, succeeded Manuel Francis, second board veteran in point of service, who resigned yesterday because of ill health.

Concerning the recall movement, the new chairman said this was "the business of the people," and did not concern him. He was not the target of the movement launched by W. H. Eddy, Burlingame recall leader, who sought the removal of the four others.

He accepted the post, he said, without thought of aiding or retarding that movement.

"I accepted the post without any compromise and I want it known that I am not aligned with any individual members of the board in any clique for control," he said.

Thompson revealed that certain members of the board came to him and asked him to take the leadership "to correct the mistakes that had been made."

Unidentified Man Fatally Hurt by Auto

An unidentified man, believed to have been a peddler of pencils, was killed on El Camino Real in Millbrae Monday night when struck by an automobile.

The car was driven by John Vezina, 3640 Fillmore street, San Francisco.

Dr. J. C. McGovern, county coroner, gave the following description of the victim in an effort to identify him: Age about 60, height 5 feet 9 inches, weight 200 pounds, sandy complexion and blue eyes. He was wearing a blue suit, black shoes and a green shirt. He carried a cane.

Selection of Dr. Morrison Is Confirmed

Confirmation was given by the supervisors Monday to the appointment of Dr. Harold E. Morrison of Los Angeles as San Mateo county's first full-time health officer.

Dr. Morrison is assistant health officer of Los Angeles and comes highly recommended for the new post, which will pay $4800 per year. The present health officer is Dr. F. Holmes Smith of San Bruno, who has been on a part-time basis.

The new post is created under the charter and places Dr. Morrison in charge of all health and sanitary matters, including supervision over the Community Hospital.

The name of the first appointee was selected from a list of 19 applicants. The selection was made by the new county health board and the name was forwarded by County Manager Walter Kellogg for confirmation. Dr. Morrison was named on motion of Supervisor Rosalie Brown, San Mateo, and second of Supervisor John Poole, Redwood City.

Dr. Morrison is a graduate of the University of Minnesota and was a lecturer in public health at the University of Southern California from 1927 to 1932. He now holds the assistant health post at Los Angeles.

JUDGE DELAYED

Are you a well-informed person?

Every day this newspaper is filled with news. And our experience is that the news which interests you most is the news which affects you most. When one of your friends has participated in a minor accident, you are more interested in that than in a major accident in another city.

Advertising, too, is news of the first importance. It affects you. It is intimate, local news addressed to you. It deals with your comforts, your pleasure and your business. It saves you time by telling you where the merchandise is. It saves you money by announcing fair prices. It is the guide to efficient spending. When you fail to read the advertisements, you do not keep up with news that is most important to you. You miss many opportunities.

The best informed people are those who read the advertisements regularly. In fact, in this modern age, when each day brings forth new things which directly affect you, you cannot ignore the advertisements in your daily newspaper and still be well-informed!

WILL UP FOR PROBATE

Mary F. Madden, 1412 Seventh avenue, San Francisco, today placed on file for probate the will of her cousin, Mrs. Annie Maher, who died in this county, July 2. The estate is valued at $8000, and the bulk is willed to the "Little Sisters of the Poor," on Lake street, San Francisco.

State System Of Claims Is Followed Here

County Manager Walter T. Kellogg announced today that he was installing the same system for handling claims against the county as is being used by the state of California, in keeping with a recommendation of the San Mateo County Grand Jury.

Kellogg said he has given the question considerable study during recent weeks and has conferred with Controller Edward Stack on the system.

The jury's other recommendations, transmitted to Kellogg today, include installation of a switchboard at the courthouse, and the alterations of the law library and district attorney offices.

Citizens' Relief Bond Committee Approved

Ten peninsula citizens were named by the board of supervisors Monday to handle relief loan requests should the county ask for a share of the $20,000,000 bond issue voted at the polls in June.

They are Sam D. Merk, Helen Chesebrough, J. F. Cambiano, Mfs. Harry Dana, James Ferguson, Z. T. Thorning, W. K. White, Alvin Hatch, Robert Koshland and the Rev. M. R. Power.

THOMPSON TO SUCCEED FRANCIS AS CHAIRMAN

Dr. C. V. Thompson returned to the chairmanship of the San Mateo County Board of Supervisors on Monday, a post he relinquished two years, following the resignation of Chairman Manuel Francis.

Francis, in explaining his desire to be relieved of the duties of chairman, said that his health would not permit him to carry the burden. His resignation of the chairmanship, he said, had the approval of his colleagues.

Francis was in the hospital last winter, and said Monday that he is frequently ill as the result of long board meetings.

When the resignation had been accepted on motion of Rosalie Brown, seconded by Albert Witt, the latter then moved that Dr. Thompson be appointed chairman, "as the oldest, most experienced member on the board."

The second was made by Francis and the motion was carried.

Dr. Thompson thanked the board, and said it was the desire of the supervisors to work in harmony and to function properly, and also to install the new county charter satisfactorily. The board, said Dr. Thompson, would seek harmony, to the end that the charter might be given every opportunity to succeed.

New Note of Johnson Is Made Public

In a heretofore unrevealed note that has been kept secret by the butler to whom it was written, Maj. Archibald M. Johnson, of Hillsborough, son of United States Senator Hiram Johnson, who shot himself to death a week ago today, declared that he would rather "die like a gentleman than live like a rat."

The note was introduced by the butler, Dynus F. J. Baker, at an inquest into Johnson's death in Burlingame today. No word of the inquest had been given out and Baker was the only witness examined.

The jury brought in a verdict of suicide.

Johnson, well-known San Francisco lawyer, took his life in the library of his Hillsborough home and is believed to have been despondent over losing his wife in the Reno divorce courts. He wrote to Baker:

"As usual I give you endless tasks and yet I know they will be executed to the letter. Please see that the letters enclosed are delivered to the prsons to whom thy are addressed. Admit no representatives of the press to the house. Advise Miss Morrill to observe the same precaution in the office.

"Advise my father.

"To you, old man, I have no words to express my affection, appreciation or gratitude. No man has ever been as loyal or as thoughtful. I have naught to give you but a dying man's love and thanks for all you have done and been, and a poor ring that I enclose herewith whose value I do not know.

"I know my family will take care of you so hang on somehow until they have a chance. Please express to the others who have been so loyal and so sweet, Miss Morrill, Tabainowitz, Miss Abajain and Quong, and to whom I have not the heart to write, my love and my gratitude.

"I know you will understand. You have seen what it has been like and I know you would rather see one you have called your 'boss' die like a gentleman than live like a rat. Goodbye and the best of luck."

The inquest was conducted by Dr. J. C. McGovern, county coroner, in the Frank Wyckoff chapel in Burlingame.

Green Case Turned Over to Chief Justice

Puzzled and slightly bewildered by conflicting viewpoints of Southern California lawyers, Governor Rolph has decided to turn the Jack D. Green case over to Chief Justice of the Supreme Court W. H. Waste for advice.

Green, former San Mateo high school student, and convicted of killing a Los Angeles police lieutenant during a theater robbery, is sentenced to hang. His partner, Joseph Francis Regan—the person who did the actual shooting—must die at San Quentin August 18.

Governor Rolph said he could not grant Regan clemency. His mind was still in doubt on Green.

Green seeks commutation of sentence to life imprisonment. His fight for life has precipitated a major controversy in Southern California and aroused statewide interest.

The Los Angeles Bar Association conducted an exhaustive investigation and finally reported it could see no reason why the jury's verdict should not be carried out. One committee of the association took an opposite viewpoint, holding there was some evidence of jury irregularity.

Rolph has maintained from the start Regan was entitled to no clemency. He has been inclined to sympathize with Green, and was understood to be only too anxious to save the young man's life if some official or semi-official agency of standing would back him up.

$3400 Requested for Belmont Water Dist.

BELMONT, Aug. 9.—A resolution was passed last evening by the Belmont county water district board on motion of Commissioner Waldo J. Marra to ask the supervisors of San Mateo county for tax money in the sum of $3400 for maintenance and equipment of the district during the coming year. The district was granted the sum of $3800 last year.

Public Works Projects Are Given Wardell

The State Chamber of Commerce today submitted a list of public works projects for every county of the state to Justus Wardell, district administrator of the national public works program.

The list submitted by the state chamber includes more than 700 projects, totaling more than $250,000,000, and includes items ranging from a few thousand to others of several million. These proposals from cities and counties throughout the state have been submitted to the state chamber during recent weeks as a means of coordinating and classifying requests for federal aid to the various communities.

The state chamber office has classified projects under counties and according to the nature and work-giving possibilities of the various proposals. In his letter to Wardell, General Manager Sloane of the state chamber, said: "We have already advised the proponents of these projects as to preliminary rules and instructions issued from Washington with regard to necessary data that will be called for on the official application forms, etc., in order that all possible advance preparation could be made for speedy consideration of these projects by the California advisory committee and the district administrator."
